WELCOME TO ROYAL SCHOOLS QUEENS PRIVATE!

Dear Parents and Guardians

Welcome to the Royal Schools Family. This family was born in 1993 as one of the first affordable private schools in South Africa, and 30 years later there are 13 schools on five campuses, with 6394 learners and 421 staff members.

At Royal Schools we offer affordable quality private school education. We achieve this through our experienced management team and committed staff in a convenient location and safe environment.

Since its inception in 1993 Royal Schools has enabled quality private education, always mindful of ensuring access and affordability. This track record has warranted a prominent role in the private education industry.

The last 30 years have seen Royal Schools produce powerful results. Many Royal Schools alumni hold top positions in some of South Africa's most esteemed organisations. Each school has produced consistently excellent matric results, and Royal Schools has stuck uncompromisingly to its high standards of quality education and affordability.

Royal Schools are anchored in Christian values and our behaviour is aligned with our values of putting **People** first in everything we do; living with **Integrity** by doing what we say, **Preserving** to always finish what we start and striving for **Excellence** in everything we do!

At Royal Schools you and your child are part of our family. We undertake to not only equip your child with knowledge and skills, but also to prepare them for the world out there by teaching them the values and behaviours that will make them outstanding citizens of this great country and the world.

Nelson Mandela, the father of our nation and one the greatest leaders of all times, said the following: "Education is the great engine of personal development. It is through education that the daughter of a peasant can become a doctor, that the son of a mineworker can become the head of the mine, that a child of farmworkers can become the president of a great nation. It is what we make out of what we have, not what we are given, that separates one person from another."

We look forward to welcoming you as part of the Royal Schools family.

Kind Regards,
Dr. B. Fourie

2.2 The Parents agree that –

2.2.1 any rights which they have in respect of the provision of the Education Services in respect of each Learner are rights against the Education Provider only and not against the Facilities Provider;

2.2.2 any rights which they have in respect of the School Facilities being made available for the benefit of each Learner are rights against the Facilities Provider only and not against the Education Provider;

2.2.3 the Facilities Provider and the Education Provider will always be entitled to appoint a manager to run their respective affairs and businesses, including in relation to the School; and

2.2.4 if they have any queries, concerns and/or complaints relating to the School and/or each Learner's involvement in the School and/or any matter arising out of this Contract, such queries, concerns and/or complaints must be raised with the School Head. Contact details for the School

Head will be available at the School office.

2.3 The Facilities Provider will reasonably maintain, service and repair the School Facilities from time to time, to the extent that such facilities require maintenance, servicing and repairing.

2.4 The Education Provider will provide the Parents with the bank account details of the bank account into which all payments must, from time to time, be made by the Parents in respect of amounts which they have to pay in terms of this Contract.

2.5 For so long as a Learner is admitted as a learner at the School, the Education Provider will provide the relevant Education Services to each Learner and in doing so will exercise at least that degree of skill and care as is generally exercised at schools which are similar to the School.

2.6 The obligation of the Education Provider, as referred to in clause 2.5 will apply during (a) School Hours, and (b) at all other times during which such Learner is required by the Education Provider to be on the School Premises, and (c) at all other times during which the Learner is involved in any organised School activities.

will have any obligation to diagnose any physical, mental or emotional condition that may cause any obstacle to, or difficulty in, or restriction on a Learner's ability as a learner. Should a diagnosis be required, the Education Provider will arrange for an appropriate assessment at the request and expense of the Parents. The Education Provider may terminate a Learner's registration if the Learner has special needs which the Education Provider cannot cater for (after being duly assessed – at the cost of the Parent) – if the school recognises a need for this kind of assessment.

3 SCHOOL FEES AND PAYMENT

3.1 The School Fees are made up of two components, being the Education Fees component, to which the Education Provider is, and will be entitled for providing the Education Services and the Facility Fees component, to which the Facilities Provider is, and will be entitled for making the School Facilities available. On admission, Parents will become liable for the School Fees of a full year (which can be paid in monthly instalments). The School Fees will be due for the full year regardless of the date of admission of the Learner.

PARENT/GUARDIAN SIGNATURE

- 3.2 At the commencement of this Contract, the School Fees for each Learner are as set out in the Admission Application Form and are payable by the date(s) and in the manner and at the place described in such Admission Application Form. School Fees shall escalate at least annually for the coming year as notified by the School Provider to Parents during the last School Term of the year or as notified at any other time by the School Provider to Parents as provided for in clause 3.5. Parents are responsible to verify the School Fees for each year and regardless of whether they receive the notice, will still be liable for the escalated School Fees.
- 3.3 If the Admission Application Form provides for alternative payment periods in respect of School Fees and the Parents have selected a particular period and thereafter wish to change to another payment period (as provided for in the Admission Application Form), they must apply through the School office to the School Providers for such change to be effected. Such proposed change will not become effective until notice of acceptance of such change is given to the Parents by, or on behalf of the School Providers.
- 3.4 In the event that the School Fees are payable in instalments and the Parents fail to pay any instalment on the due date:
- 3.4.1 the balance of the instalments, as well as any other amounts owed to the Education Provider and/or to the Facilities Provider in terms of this Contract, will automatically become immediately due and payable without any need for a notice to be given by, or on behalf of the Education Provider and/or the Facilities Provider for this purpose; or
- 3.4.2 the School Providers may give them time to make such payment. The giving of such time is not to be regarded as a waiver (giving up) by the School Providers of their rights to insist that all amounts owing be paid immediately or regarded as an agreement that the payment dates for the remaining instalments have in any way been extended; and
- 3.4.3 the School Providers do not have any obligation to extend any payment date, but are entitled to do so at their discretion.
- 3.5 The School Providers have the right to change the amount of the School Fees and/or the payment obligations of the Parents in respect of the School Fees on written notice to the Parents. Such notice will provide a physical address and/or an email address to which the Parents may respond if the proposed change(s) are not acceptable to the Parents in respect of a Learner. The Parents' response must be delivered to the Schools Providers within 10 (ten) days of the date of the notice of such intended change(s). If the Parents do not deliver such notice within the 10 (ten) day period, it will be regarded that the Parents have accepted the proposed changes.
- 3.6 If the Parents have notified the School Providers in terms of clause 3.5 that they do not accept the proposed changes with respect to a Learner, such Learner's admission to the School will cease with effect from the last day of the School Term preceding the School Term in which such proposed changes are to be implemented. For example, if the proposed changes are to be implemented in the third School Term of a particular School year, the Learner will cease to be a Learner at the School at the end of the second School Term. For the sake of avoiding uncertainty, the Parents will remain liable for the payment of any School Fees or any other amounts owing by the Parents in terms of this Contract until the last date on which such Learner is admitted to the School.
- 3.7 The Parents will not be entitled to any reduction or refund in respect of School Fees for any period that a Learner is under suspension or absent from the School for any reason whatsoever..
- 3.8 The Learner will be provided with textbooks / study material for use for the year. - 3.9 The School Providers may from time to time notify the Parents of other fees which relate to specific activities or events which may be recurring or once off, by giving at least 5 (five) days advance notice to that effect to the Parents. The notice will stipulate exactly which activities or events the other fees requested relate to.

The Parents acknowledge and agree that there is no obligation on the School Providers to retain the Deposit in bank accounts which will provide for interest to accrue on any credit balance in such accounts and that the Parents are not entitled to any such interest.	3.16	The Parents understand and agree that their failure to timeously and fully pay any School Fees and/or any other amounts due by them in terms of this Contract (hereafter referred to as the "Overdue Amount") is a material breach by them of this Contract, and without prejudice to any other rights or remedies of the School Providers arising out of or as a result of such a breach by the Parents (whether in law or as may be provided for in this Contract or otherwise), the School Providers shall be entitled –	3.16.3	to use the Deposit for the purpose of settling the Overdue Amount plus any Default Interest or Lower Interest, provided that if the Deposit is insufficient to discharge the Overdue Amount in full, the full amount of the Deposit may then be utilised by the School Providers and the amount remaining of the Overdue Amount that could not be discharged by the Deposit will still be owing by the Parents; and/or

6 SUSPENSION OR TERMINATION OF ADMISSION

6.1 The admission of the Learner as a learner at the School may be terminated in accordance with any one or more of the following sub-paragraphs, subject however, always to any relevant provisions of the Schools Act –

6.1.1 by the Parents giving at least a complete School Term's notice to that effect to the School Head (the notice must be given before the commencement of the last School Term during

which the Learner is to attend the School);

6.1.2 a Learner may only be removed from the School and his/her admission to the School terminated earlier in the case of clause 6.1.1, if the Parents have paid all School Fees and other amounts owing in terms of this Contract;

6.1.3 by the School Providers giving at least a complete School Term's notice to that effect to the Parents (the notice must be given before the commencement of the last School Term during which the Learner is to attend the School);

6.1.4 if the School Head is reasonably of the opinion that the Education Services provided can no longer be provided adequately for any special educational needs of a Learner (if any), then the School Providers will be entitled to terminate the admission of such Learner at the School by giving at least 30 (thirty) days' notice to that effect to the Parents;

6.1.5 in the circumstances envisaged in clause 3.16.5;

6.1.6 if the Parents or either of them breaches this Contract in any other way (other than failing to pay any amount as referred to in clause 3.16.5, it being understood that such clause deals with such failure of not paying) and failure to remedy such breach within a period of thirty 30 (thirty) days after being given notice by, or on behalf of the School Providers requiring the breach to be remedied, the admission of such Learner at the School will terminate on the expiry of the notice period; and

6.1.7

if the School Head is reasonably of the opinion that the conduct and behaviour of either Parent or of the Learner is of such an unreasonable nature that it is negatively affecting, or is likely to negatively affect the progress of a Learner or of other learners in attendance at the School, and/or the wellbeing of any member of the School staff, and/or the School's reputation and good name, the School will be entitled, pending the outcome of a disciplinary enquiry, to suspend a learner from the School, and pursuant to the outcome of the disciplinary enquiry, to terminate the admission of such Learner at the School by giving at least 14 (fourteen) days notice to that effect to the Parents (and the Learner may not return to the School Premises during his/her period of suspension, save that, if applicable, (i) the Learner may do so only to write exams falling within the period of suspension; and (ii) the Learner shall write such exams separately to their classmates; and (iii) the Learner must leave the School Premises immediately after each exam). Should the Parent/Learner lodge an appeal against the disciplinary outcome, the Learner will not be allowed to attend classes

6.2 The admission of each Learner at the School will terminate automatically on the death of a Learner.

6.3 Any termination of the admission of the Learner under clause 6.1 will not have the effect of reducing, or in any way doing away with any liability for the payment of any School Fees or any other amounts owing by the Parents in terms of this Contract in respect of any period before the end of such termination.

6.4 The right to terminate the admission of a Learner in terms of either clause 6.1.1 or 6.1.3 is a right which is not dependent on there being any good cause justifying such termination, it being agreed and understood that such termination may be effected by the required notice being given entirely within the discretion of the Parents (in the case of clause 6.1.1) and entirely within the discretion of School (in the case of clause 6.1.3).

DEMERIT POLICY

1. SCHOOL RULES

The rules of the School must be adhered to:

- At the School during normal school hours
- During extra mural activities and school functions
- When a learner appears in public in a school uniform.

2. DEMERIT SYSTEM

The main purpose of the Demerit system is to incentivise learners to behave in line with the PIPE values and thereby creating a culture of discipline and a value-based school. The main purpose is not to punish negative behaviour.

The demerit system works as follows:

- Learners start with 0 points
- All violations and recognitions are logged on the conduct list (D6)
- Recognitions and violations not logged on D6 will not be considered
- Recognitions are given for positive actions for example assisting an Educator
- Violations are given for misconduct for example homework not done
- Recognitions and violations are indicated separately on the Conduct Report of the learner
- "Detention Attended" which counts +50 points is added automatically by D6 when a learner has sat detention. This reduces the violations total of the learner
- Some conducts are only for informative reasons for example "Informed parents about concerns regarding academics"
- The learner should attend detention should the violations reach -50 or less
- Once the learner has attended detention "Detention attended" is added automatically to the violations column to reduce the negative marks
- Where a learner does not attend detention without a valid reason "Detention bunked" will be noted
- Should the violations again reach -50 or less the learner must attend detention for a second time
- Once the learner has attended detention "Detention attended" is added automatically to the violations column to reduce the negative marks
- If the violations of the learner reach -50 or less for the third time the parent(s) must be called in for a "Disciplinary Discussion". The learner must attend detention for a third time
- Should the violations of the learner reach -50 or less for the fourth time a Disciplinary Hearing will be held
- The Disciplinary Chairperson will decide on the appropriate punishment which could include suspension "Suspension completed" will be added as an Informative remark once the learner returns from suspension
- Should the violations total reach -500 or less before the end Term 3 a Transfer letter will be issued to the learner immediately to enable him/her to apply to attend another school the following year. One term notice will be given to the parent. However, in the case of Suspension or Expulsion no notice will be given and the punishment will be effective immediately. This is done to accommodate schools having early registration dates
- Should the violations total reach -350 or less before the end Term 3 a Conditional Re-Admission letter will be issued to the learner indicating under which conditions the learner will be allowed back the following year. If these conditions are not followed the following year, the learner will be expelled at the end of that particular Term. However, in the case of Expulsion no notice will be given and the punishment will be effective immediately
- If there are serious transgressions for example the possession of drugs, the learner will be suspended until a disciplinary hearing is held. The outcome of a serious transgression could be immediate expulsion
- For certain transgressions a learner will be suspended until the Disciplinary Hearing and if the outcome is suspension for the learner, the days the learner was suspended until the hearing will be subtracted from the total number of days for which the learner is suspended
- Parents can at any time request a copy of the Merit and Demerit list of a learner
- A summary of the Merit and Demerit list will be e mailed to all parents once a term
- Parents can appeal the outcome of a Disciplinary Hearing in writing within 7 days of the outcome of the hearing
The grounds for appeal must be clearly indicated. The outcome of an appeal can be one of the following:

1. The Outcome is upheld
2. The Outcome is overturned
